### INVESTMENT FEES - STANDARD

As your adviser I will be paid by you for the advice I give you both initially and ongoing.

You will not incur any fees until we have agreed what they will be.

The section below sets out the fees for the initial advice I offer.

The sections below set out the different ways in which I can calculate the correct level of fee for the initial advice. Only one of these will apply, and once I have a better understanding of your situation I will confirm the appropriate fee structure, and be able to give you the actual fee amount that will apply to you.

We will act as the intermediary between the product provider(s) and you with a view to arranging the purchase of the Retail Investment Products as we have agreed.

Unless otherwise explained the fees below will cover a full advice process: understanding your current situation, objectives, attitude to risk, research to identify suitable solutions, documenting our recommendations and implementing the agreed solutions.

Fees for the design, production and implementation of a financial strategy are calculated as follows:

## **INITIAL FEES:**

### **1. Percentage of amount invested**

#### **In Respect of Lump Sum Investments and Single Premium Pensions**

The fee is calculated according to the size of the transaction, as set out below:

When our work involves investing a lump sum of money, our fees are:

- 3% on first £250,000,
- 1% between £250,000 and £1,000,000
- 0.5% on any balance

Below we have shown the fees which would apply for a range of amounts invested:

- £150,000 would be £4,500
- £250,000 would be £7,500
- £500,000 would be £10,000

These fees are subject to a minimum of £1,350

As there is a minimum amount of work involved with even relatively small sums to be invested, the percentage is typically higher for smaller investments, such as with an ISA.

Our typical fee for a full ISA annual premium of £20,000 (for the 2018/19 tax year) or other similar sized investments would be 3% which equates to £600.00.

Larger portfolios may be subject to further reductions by specific agreement with the client.

### **2. Hourly Rate**

Our fee may be based on the amount of time involved to undertake work at the following hourly rates:

- |                             |      |                      |      |
|-----------------------------|------|----------------------|------|
| ▪ Advice - Diploma          | £200 | ▪ Advice – Chartered | £350 |
| ▪ Para planning support     | £75  |                      |      |
| ▪ Travel and Administration | £50  |                      |      |

Based on our experience and the anticipated complexity of your circumstances we will give you an estimate of the cost for pieces of work in advance of starting chargeable work and will not exceed this estimate without your clear agreement. Travel time is charged if meetings are not held in our offices.

The typical time involved to complete the advice process in our offices by a diploma qualified adviser for a client with a single investment or to set up a pension arrangement will be:

Adviser – 6 hours at a cost of £1,200  
 Paraplanner – 5 hours at a cost of £375  
 A total of £1,575

Chartered Adviser – 6 hours at a cost of £2,100  
 Paraplanner – 5 hours at a cost of £375  
 A total of £2,475

For a Pension Transfer from two ceding schemes, in our offices, it will be:

Adviser – 6 hours at a cost of £1,200  
 Paraplanner – 6 hours at a cost of £450  
 A total cost of £1,650

Chartered Adviser – 6 hours at a cost of £2,100  
 Paraplanner – 6 hours at a cost of £450  
 A total cost of £2,550

If you ask us to stop work after agreeing to these fees you will be invoiced for the time spent on your case before we receive your instructions.

If detailed recommendations with illustrations have not been provided and discussed with you at this point; it is likely that VAT is due on these fees.

### **Minimum Fees & VAT**

The fees outlined above are raised when the investment is made and will NOT be subject to VAT

Any variation to this amount will be confirmed in writing to you before proceeding further. This may be for example for larger or more complex loans, or where your personal situation is more complex regarding income sources, taxation, residence and credit rating.

### **Existing client discount:**

We are committed to treating clients fairly. Our research has shown that the time it takes to work with a new client is longer than an existing client, mainly related to getting to know them to advise them comprehensively.

To reflect that and to reward the loyalty of our existing clients, and to pass on the saving of our marketing costs to you we offer the following:

- Discounts on implementation fees of 12.50%
- The removal of minimum fee levels for implementation fees.

An existing client is defined as:

- A client who has affected a plan where we had received ongoing income (trail commission or fee) in the previous 12 months.

### **Family member discount**

Retaining your wealth and ensuring it is passed on as ethically as possible to the right people at the right time is key for all our clients.

To help facilitate this it is beneficial to know as much about your family unit, that is appropriate to your circumstances, so that we can help at that critical time. To assist with this, we also offer discounts on implementation fees for family members and the removal of minimum fee levels for implementation fees for family members.

A family member includes a person's parents, spouses, siblings, children, grandparents and grandchildren, whether connected by birth, adoption, guardianship, marriage, civil partnership or cohabitation.

**Professional referral discount:**

We recognise the importance of our clients' relationships with their other professional advisers such as their accountant and solicitor. Where our clients are referred by their professional adviser we offer a discount on implementation fees of 12.50%, as we pass on the saving of our marketing costs to you.

**ONGOING SERVICES & FEES - INVESTMENTS**

Set out below are the detailed elements for the indicative levels of ongoing service that we deliver to our clients. You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate. Our fees for these services can be seen below:

<b>Premier Service</b>	Where client's portfolios grow in terms of value, and potentially complexity, these need to be managed and reviewed appropriately. Building on our annual review services, this offering has more frequent reviews and opportunities to ensure clients are kept informed of performance, and plans maintained in line with client's circumstances and objectives. This may well include consultations with other specialist advisers.
<b>Standard Service</b>	A comprehensive service aimed at initial analysis, recommendation and implementation in line with a client's immediate needs. With ongoing review and recommendation, this is a service to adapt to a client's changing needs and circumstances.

At a review, we will cover:

- Assessment of personal circumstances
- Review of your goals & objectives
- Reassessment of your attitude to investment risk/return & market sectors (asset allocation)
- Review of investment performance & holdings
- Valuations & investment commentary
- Where appropriate, recommendations in order to keep your new/existing plan(s)\* in line with your objectives

\*Advice on new investments/savings will be subject to our 'initial fees' as shown under our 'Investment Fees - Standard' section earlier.

Service will include recommending changes to existing investments to help meet your goals at an acceptable level of investment risk, providing fund analysis and valuations and a wide range of associated ad hoc services.

All service levels include a review, it is simply the style and frequency that alters as shown in the table overleaf:

ONGOING SERVICE OFFERING	Premier	Standard
Keeping you informed with pertinent and relevant information	YES	YES
Annual valuation of plans invested via ourselves	YES	YES
Telephone and e mail access to your adviser included	YES	YES
Option of an annual telephone review of your plans	YES	YES

Half Yearly In Person or video conference review meeting	YES	NO

Please note that as the fee is based the investment value, the actual amount we received will increase (or decrease) in proportion to any increase (or decrease) in the value of your portfolio.

### Examples of Ongoing Fees

If we look after you via our Premier service (as detailed above) & your investments are valued at £500,000, our fee is 1%. Therefore, the annual payment to us will be £5,000.

If we look after you via our Standard service (as detailed above) & your investments are valued at £250,000, our fee is 1%. Therefore, the annual payment to us will be £2,500

If we look after you via our Standard service (as detailed above) & your investments are valued at £150,000, our fee is 1%. Therefore, the annual payment to us will be £1,500.

The elements that make up your ongoing servicing package are subject to alteration; I will notify you in advance and in writing if any of these aspects change.

### Impacts of Fees

When you make an investment, there will be costs involved which will impact on your investment returns. These costs will typically comprise of the platform charge, the fund manager's charge and our advice fee. As a typical example these charges may amount to 2.5% a year, so your investment return will be reduced by this amount each year. Your personalised illustration will clearly show the actual costs that will apply to your investment.

## ONGOING SERVICES & FEES - PROTECTION

Set out below are the details for the ongoing service that we deliver to our clients. You can, if you wish to, add or enhance levels of service with your adviser if you feel appropriate (usually for an agreed fee).

There is no fee for the following level of service, as we will have been paid commission from the insurance provider at inception of your protection plan(s).

1. **Communication** – in order to provide you with a high quality service, we may want to contact you regarding items we consider are of interest to you, or to make you aware of new opportunities. If this happens, we would like to contact you.
2. **Protection** – it is important to ensure your current protection plans and provisions remain in line with your requirements, which may change over time.

However, we are only able to offer advice from certain leading investment, insurance and mortgage companies. By restricting the permitted business to a selected panel of product providers and to a carefully chosen range of their products, Quilter Wealth Limited and Quilter Mortgage Planning ensure that we are able to meet the needs of our clients and deliver the high standards they expect and deserve.

We provide a list of the companies on our panel on request.

Examples of products and services which we are prohibited from recommending include the following:

In the event that you wish to consider a product or service which is not included in the Quilter Wealth Limited and Quilter Mortgage Planning authorised list, and which is outside the offering of any other Quilter group company, we may be able to introduce you to a third party who might be able to provide you with further information and/or advice on a particular product or service. Please note though that in such circumstances, any such introduction and any information and/or advice on the product and service provided by that third party will be separate and distinct to those offered by any Quilter company. ## Client Categorisation Levels For Your Protection

The FCA has rules which affect the rights you have as a client. In our dealings with you we will be representing you as the client.

By default, we categorise all our individual clients as 'retail' clients. The range of financial products and investments we recommend are tailored to meet the needs of retail clients. As a retail client you will have rights under the Financial Ombudsman Service (FOS) and the Financial Services Compensation Scheme (FSCS). These rights will apply to the provision of the advice we provide.

In most cases these rights will also apply to the products we recommend. However, there are some exemptions for specialist products such as Enterprise Investment Schemes and Venture Capital Trusts. Your adviser will let you know if the product recommended will not have rights under the FOS or FSCS.

There are other client categorisations that don't have these rights. These are "professional" clients and "eligible counterparties".

You may have the right to be categorised as a professional client and revoke this status on request. Should you feel you have the skills, knowledge and experience to be a professional client and don't wish to have the same protection afforded to retail clients (as explained above), please let me know and we will complete the forms necessary to recategorise you.

If you have any questions regarding your categorisation (e.g. if you are a large company), please write to Quilter Financial Planning Compliance Department, Riverside House, The Waterfront, Newcastle upon Tyne, NE15 8NY or to the Financial Ombudsman Service and FSCS.

## Client Money Peace Of Mind

We do not handle Client Money. We never handle cash and will only accept a cheque made out to us in settlement of Advice and Service fees. Our preferred method of payment is via bank transfer.

## Your Duty of Disclosure

Any financial advice we provide will be based on your personal financial circumstances and objectives. It is important that the information you give us is both accurate and a true reflection of your current circumstances.

It is your responsibility to provide complete and accurate information to a provider (a provider being for example, an organisation that provides insurance, mortgage, or investment related plans).

---

It is important that all statements made on any proposal form, or on any additional documentation are full and accurate.

Please be aware that if you fail to disclose any relevant information, or any change of circumstances to a provider, then the terms of your desired plan may be invalidated (e.g. an insurance claim may not be paid). We strongly recommend that the information you provide is checked thoroughly prior to submission.

### **Client Risk**

The value of investments can fall as well as rise. You may get back less than you originally invested. The price of investments that we recommend to you may depend on fluctuations in financial markets or other economic factors that are beyond our control. The past performance of an investment or product is not a reliable indicator of future results. You should therefore carefully consider all investment / product decisions.

Any specific warnings relevant to particular investments, investment strategies or products will be provided to you in your Suitability Advice Report and / or your Demands and Needs Statement collectively (Written Advice).

### **Investment and Protection Advice and Recommendations Scope**

Any investment or protection advice your adviser provides will be based on your personal financial circumstances and objectives. We will confirm these and the reasons for any recommendation in your Written Advice.

If you have asked for any restrictions on the types of investment or the markets you wish to invest in, these will be confirmed in your Written Advice. We will always make it clear when products are not within the 'regulated' scope, and advise you of your rights.

### **Paying For Advised Services**

Where payments are facilitated through a product, this will impact the actual amount remaining invested. Payment of the initial Advice and Ongoing Service fees facilitated by the relevant Product Providers or Platform administrators will be as a percentage of contributions invested or of the value of the plan's value/funds under management as at the anniversary of the initial investment. As such, the cash equivalent amount will vary depending on the value at the time.

Providers/Platform administrators will detail the specific process they operate to facilitate a fee in their literature. If you opt to pay the Adviser Charge directly (not through a product) an invoice will also be provided, which must be settled within 14 days of issue (we reserve the right to charge interest on late payments at a rate of 3% above Bank base rate).

Full details of the final Advice will be provided in the Suitability Advice Report. Full details of the any future Service fee will be provided either in the Suitability Advice Report or 'Authority to Proceed' document prepared for you by your Adviser. You may also be asked to sign and return a copy of the Authority to Proceed document to confirm your understanding and acceptance of the arrangements.

Other costs, including taxes, related to transactions may arise that are not paid via us or imposed by us. For further details on how to pay for our services, please read the 'Guide to Our Services' brochure. There are no additional charges for your services for using a means of distance communication.

## Implementing Investment Solutions

As with most investments there is a risk of loss, especially in the short term (over periods of less than five years). If you need access to your money in the very short term, then holding it in a risk-free bank account could be the right course of action. We will discuss these options with you, as well as providing a detailed Suitability Advice Report for you to read in your own time, before we implement our recommendations. This will help ensure you understand the advice you have been given. Of course, if you have any questions, we will be happy to help. You are not obliged to implement any of our recommendations. However, we may still charge a fee for our advice.

When we arrange an investment for you it will typically be made into a collective investment fund. These funds have a range of different investment strategies, so we will recommend one that aligns with your attitude to risk and the period of time you wish to invest for.

These funds will typically be bought via an investment platform that we recommend for you. Once we have completed the advice process the investment will be made for you in a timely manner, and in accordance with our Best Execution Policy. For example, the majority of collective investments, they will be bought or sold at the next Valuation Point (typically 12.00 Midday) the next business day, after the instruction has been received by the platform.

Once we have agreed on an appropriate solution, we will provide you with full details of the investment fund, platform and all associated costs.

## Cancellation / Termination of Authority

You can cancel these Terms of Business at any time without penalty. This will not affect any outstanding transactions being carried out on your behalf, and you may still have to pay a fee to us – see Investment Advice Refunds above.

To cancel these Terms of Business you should notify us using the contact details below.

The Ongoing Service fee or our authority to act on your behalf can be cancelled at any time without any penalty by email or post using contact details above. These methods ensure we have an audit trail for your instruction. You will be responsible for cancelling any instructions from your bank. If the fee is being taken from your investments we will endeavour to instruct the Provider, Platform or DFM to stop the fee within five working days of receiving your instructions and refund any over payment if we are unable to meet this commitment.

You may ask us for an updated estimate of your advice fee at any time and you may ask us not to exceed a given amount without checking with you first.

## Investment Advice Refunds

Our standard policy is that in circumstances where this agreement is terminated, a recommendation is not followed through to implementation, or a product arranged is cancelled at any time, no refunds will be given and all work undertaken will be billable and due. Please note that this does not affect your statutory rights or ability to complain.

If you cancel your investment(s) in the cooling off period or stop regular contribution payments the fee will no longer be due unless a minimum fee is stated in this Terms of Business and your Adviser Charging Agreement/Authority to Proceed.

---

## Language

Unless agreed by us at outset all communication will be completed in English. We will communicate in a manner that is convenient to you, this could include face to face meetings, post, e-mail and by telephone using the contact details above.

## Location of Advice

All advice will be conducted in the UK. We do not have permissions to give advice when either you or I are located in any overseas location.

## Timing of Written Advice

Financial Planning: I will send you a Suitability Advice Report setting out the reasons for my recommendation at the time of my recommendation, and where applicable before implementing any advice that I have recommended.

Protection Advice: I will send you a Demands and Needs statement setting out the reasons for my recommendation before the policy starts. If I am advising you by telephone, and the policy starts on the same day the Demands and Needs statement will be sent by the end of the next working day.

## VAT

The service we provide is described as an 'intermediation' service. This means we provide advice with the intention of acting between you and a product provider to arrange a financial product or service. If we did not do this we would be liable for VAT on the fees charged. VAT is not applicable on the fees we charge for intermediation services. In arranging the sale of retail financial products an adviser fee made for advice, even if you decide not to proceed with the purchase of the recommended product, will remain VAT free where the adviser has provided you with full advice services up to that point, including all relevant documentation.

The adviser fee made for an ongoing service is also VAT free provided it is in respect of an intermediation service. This means activities such as topping up an investment or utilising available investment tax allowances, such as the ISA allowance. In the event that the advice services we provide become ancillary to our intermediation services, VAT may become chargeable (e.g. we review your entire financial circumstances but make no or limited recommendations).

Should this change in the future, and where VAT becomes due, we will notify you before conducting any further work. In any case, where VAT is payable on our services it will be charged in addition to the agreed fee.

However, where a Discretionary Fund Manager (DFM) forms part of a solution, then VAT may become chargeable.

## Declaration of Other Interests

To ensure that client interests are always put first, we operate a robust Conflict of Interest and Inducements Policy. If a potential conflict of interest does arise it will be actively managed, and we have arrangements in place to ensure that all our clients are treated fairly. If we feel that our interests conflict with yours, you will be contacted, and we will obtain your consent to proceed. Our conflict of interest policy is available on request.

## Minor Non-Monetary Benefits

We are not able to receive or retain any inducements from a product provider. Should we receive any additional fee, commission or monetary or non-monetary benefit as a result of a

---

---

recommendation made to you, we will return this to the product provider or transfer it to you (as appropriate) and attempt to stop further payments or inducements being received.

### **Our Ownership**

Quilter Wealth Limited and Quilter Mortgage Planning Limited are part of the Quilter Group. The Quilter Group of companies offers a range of pension, protection and investment solutions through both a UK and International Platform. This may give rise to a potential conflict of interest where a company within Quilter Group has a suitable solution for your needs.

If such a situation occurs I will ensure that my recommendation is the best execution of your needs. I will also highlight the potential conflict of interest at the time of making the recommendation.

### **Addressing Financial Crime**

All transactions relating to the services provided by us are covered by Money Laundering, Terrorist Financing and Transfer of Funds Regulations 2017. The FCA also requires that we have appropriate measures in place to prevent the furtherance of financial crime.

Our responsibilities include but are not limited to verifying the identity and address of our clients and any third party making payments on their behalf. If required you must supply proof of your identity in accordance with the above Regulations. Identity verification checks may include electronic searches of the electoral roll and the use of credit reference agencies, which will result in a soft 'foot-print' on your credit records.

This foot-print is not visible to other financial service providers and does not affect your credit rating in anyway. In accordance with the Data Protection Act 2018 acceptance of these terms and conditions represents your permission for us to access this information.

### **Financial Services Compensation Scheme (FSCS) Current limits**

We are covered by the FSCS. You may be entitled to compensation from the scheme if we cannot meet our obligations. This depends on the type of business and the circumstances of the claim. i.e. it differs for investments, insurance, mortgages and bank accounts.

Further information about compensation scheme arrangements including the conditions governing compensation and the formalities must be completed to obtain compensation is available from the FSCS via its website at [www.fscs.org.uk](http://www.fscs.org.uk)

### **The Law that we operate under**

All of our agreements provided are governed and construed in accordance with the laws of England and Wales. In relation to any dispute, for your protection you agree to submit to the non-exclusive jurisdiction of the English courts.

### **Data Protection**

The personal information you provide will assist your financial adviser in offering you the best advice as required by the Financial Services and Markets Act 2000. The personal data you provide will be used and stored in accordance with the Data Protection Act 2018 and the UK General Data Protection Regulation (UK GDPR) under UK law. Before collecting any data from you, you will be issued with a Privacy Notice Document, which will explain in full how we collect, process and store your personal data as well as the purpose for which we require your personal data under the relevant UK laws, and you will be asked to agree to the collecting, storing and use of your Personal Data and any Special Category Data for the purposes of providing advice.

## Privacy Notice

We, together with Quilter Financial Services Limited, Quilter Wealth Limited and Quilter Mortgage Planning Limited (collectively to be known as Quilter) are the joint data controllers of any personal data you provide to us in accordance with these Terms of Business and any further information which you provide to us during our relationship with you.

We and Quilter each have a legal obligation to comply with applicable data protection legislation. Information on our uses of your personal data is set out in your Adviser's Privacy Notice, which can be accessed on their website or on request.
